NOP -- template text not to be expanded in instantiated topics

- Syntax: `%NOP%`
  - In normal topic text, expands to <nop>, which prevents expansion of adjacent macros and wikiwords
  - When the topic containing this is used as a template for another topic, it is removed.
- Syntax: `%NOP{...}%` **deprecated**
  - In normal topic text, expands to whatever is in the curly braces (if anything).
  - **This is deprecated.** Do not use it. Use `%STARTSECTION{type="templateonly"}%` .. `%ENDSECTION{type="templateonly"}%` instead (see TemplateTopics for more details).
- Related: STARTSECTION, TemplateTopics
